Winsor’s Parents’ Association invites all Winsor parents to be a part of this year’s parent forum series. The first forum will be on:

**Ouch!**

*That Stereotype Hurts*  
*Intent vs. impact?*

**Thursday, February 4**

8:00-9:30 a.m.  
Valeria Knapp ’16 Trustee Room

- What do you do if someone you care about is the target of demeaning stereotypes (intended or not)?
- What if you are being demeaned or stereotyped (intended or not)?
- Have you been unfairly judged based on a stereotype?
- Have you unfairly judged someone else because of a stereotype?
- *How often do you speak up or act in these situations?*
- *How can we act and/or speak up?*

Join us for a community discussion about implicit bias. We hope to:

- Understand the impact of stereotypes and biased statements.
- Identify the most common reasons people sit silent or do nothing.
- Enhance skills for speaking up against stereotypes *without blame or guilt.*
- Talk with our daughters about what they can do in these situations.

*The Parent Network for Diversity Forum* is a place where we are building a compassionate and diverse community of Winsor parents to help support ourselves as parents and to better support our girls.

“Never doubt that a small group of thoughtful, committed individuals can change the world; indeed, it’s the only thing that ever does!”
